

HOW SHOULD I GIVE?

Regular Giving

Every believer should take the time to prayerfully consider how much they are going to give out of their annual budget. The most helpful way to then give is to commit to a regular amount. This will help you to ensure that you are faithful in worshipping God with your giving. It will also help the finance committee with their planning because of the weekly / monthly pattern that becomes evident in the church.

Usually most people give via the weekly collection on Sundays but probably the most helpful way to commit to honouring the Lord with our giving is to set up a regular payment arrangement with your bank. These can easily be set up via online banking. This means that you don't need to think about it regularly, you won't forget to attend to your commitment and it eases the church's administration burden around managing cash.

If you would like to set up a regular online payment please remember to fill in the all-important narrative which assists our bookkeeper in correctly applying your deposit. At the present time, "tithes and offerings" are to be paid to our Bankwest cheque account - details appear at the end of this article.

One-off Gifts

From time to time the Lord may enable you to give over and above the amount you have committed to give each year. You may wish to put this into general funds or special projects like the Building Fund, specific missions or the Ministry Apprenticeship Programme.

For specific details on which account to pay, please refer to the "bank account details" at the end of this article.

Legacies

There are endless possibilities for Gospel work that a church like WPC Bull Creek can undertake if the funds existed. If we are to effectively reach our city and further afield we need to recruit, train and deploy new ministry workers – pastors, administrative support and missionaries. Have you considered how your will might empower the expansion of God's kingdom?

If you would like to make a bequest to Westminster Presbyterian Church Bull Creek Inc in your will please contact your solicitor.
